

Warranty

Warranty Period

FFI Automation, Inc. warrants the products against defects in materials and workmanship for a period of one (1) year from shipment date from FFI Automation, Inc. No limited warranty is provided by FFI Automation, Inc. unless the product was purchased from FFI Automation, Inc. or an authorized distributor or authorized reseller.

Return Material Authorization (RMA)

In the case of warranty situation, please contact FFI Automation, Inc. to obtain return material authorization (RMA) to return the product for warranty consideration. If it is necessary to return the product, properly packaged and ship the product in order to avoid transportation damage. The FFI Automation, Inc. warranty does not cover products which have been received improperly packaged, altered, or physically damaged. Products will be inspected upon receipt.

Limitation of Remedies

FFI Automation, Inc. may elect which remedy or combination of remedies to provide in its sole discretion. FFI Automation, Inc. shall have a reasonable time after determining that a defective product exists to repair or replace a defective product. During the warranty period, FFI Automation, Inc. will repair or at their option, replace a defective product with a product in similar condition as the warranted product as determined by FFI Automation, Inc. FFI Automation, Inc.'s replacement product under its limited warranty will be manufactured from new and serviceable used parts. FFI Automation, Inc.'s warranty applies to repaired or replaced products for the balance of the applicable period of the original warranty or ninety days (90) from the date of shipment of a repaired or replaced product, whichever is longer.

Limitation of Damages

FFI Automation, Inc.'s entire liability for any defective product shall in no event exceed the purchase price for the defective product. This limitation applies even if FFI Automation, Inc. cannot or does not repair or replace any defective product and your exclusive remedy fails of its essential purpose.

No Consequential or Other Damages

This warranty does not apply if the product has been damaged by improper installation, neglect, accident, misuse, exposure to extreme conditions beyond specifications, or as a result of service of modification by other than FFI Automation, Inc. All costs associated with removing and re-installing the product is the responsibility of the customer. FFI Automation, Inc. does not cover shipping costs to and from the factory with this limited warranty.

There are no warranties which extend beyond the face of the FFI Automation, Inc. limited warranty. FFI Automation, Inc. disclaims all other warranties, express or implied, regarding the products, including any implied warranties of merchantability, fitness for a particular purpose or no infringement. In no event shall FFI Automation, Inc. be liable for consequential, incidental or special damages. In the United States, some laws do not allow the exclusion of the implied warranties. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
